## Intended Nationally Determined Contributions (INDCs)

Submitted INDCs

INDC Submission Portal

The Conference of the Parties (COP), by its [decision 1/CP.19](#), invited all Parties to initiate or intensify domestic preparations for their INDCs towards achieving the objective of the Convention as set out in its Article 2, without prejudice to the legal nature of the contributions, in the context of adopting a protocol, another legal instrument or an agreed outcome with legal force under the Convention.

[Decisions 1/CP.19 and 1/CP.20](#), invited all Parties to communicate to the secretariat their INDCs well in advance of the first quarter of 2015 by those Parties ready to do so) in accordance with the understanding of the INDC.

It is further specified that in order to facilitate clarity, transparency and consistency, information to be provided by Parties communicating their intended nationally determined contributions should include quantifiable information on the reference point (including, as appropriate, a base year, implementation, scope and coverage, planning processes, assumptions and methods for estimating and accounting for anthropogenic greenhouse gas emissions and, as appropriate, removals, and how the Party considers that its intended nationally determined contribution is fair and ambitious, in light of its national circumstances, and how it contributes towards achieving the objective of the Convention as set out in its Article 2;

### INDC communication process

To communicate INDCs to the secretariat Parties are invited to access the [INDC entry of the UNFCCC Submission Portal by Parties](#) above.

The UNFCCC submission portal is publicly accessible; however, access rights are required for Parties to communicate their INDCs and manage related documentation. The procedure for obtaining such rights and login credentials is the same as for the UNFCCC submission portal. Please note that no new application is required for Parties that have already obtained these access rights and credentials. To request access rights and credentials, national focal points can obtain them by contacting the secretariat at [INDCs@unfccc.int](mailto:INDCs@unfccc.int).

Parties can also use this e-mail address to contact the secretariat in case they encounter difficulties with the communication of their INDC through the UNFCCC submission portal.
