Next steps

- The LRs requested the secretariat to prepare the RPG 2021 by incorporating the approaches discussed and agreed at the eight meeting of LRs. These approaches include [cross-cutting], [policies and measures] and [projections] [FTC support] issues. The LRs **agreed** that the review approaches presented in the RPG 2021 will be **applied by ERTs in the remaining reviews of BR4**.
- The LRs also requested the secretariat **to continue collecting information on and analysing** the review-related issues raised by the ERTs during BR4 reviews, with a view to presenting them for discussion at the ninth meeting of LRs in 2022.

Thank you!!
