Implementation of Priority Area E – Monitoring and reporting

Karina Kolbrún Larsen

Knowledge and Communications Manager, Gender
Focal Point

93

Countries

1. Capacity building: collaboration with Women and Gender Constituency
2. Implementation: CTCN gender policy guiding technical assistance, capacity building and knowledge sharing
3. M&E: capturing sex-disaggregated data, addition of stronger gender indicators in Programme of Work
4. Knowledge sharing: www.ctc-n.org gender hub offers over 700 information resources

Technical Assistance: West African coastal hazard management and adaptation

11 West African countries have requested technical assistance to develop:

- System to classify coastal areas
- Hazard management strategy
- Communications programme
- Connection to finance for implementation and scale up

Key input: evaluation study on gender issues in coastal risk planning and management
