- Implementation worldwide
- More than 100 ACE focal points nominated
- Multi-stakeholder annual dialogues
- Exchange of good practices

Doha work programme intermediate review

Key findings

Ensuring the availability of sufficient financial and technical resources continues to be a challenge for ACE implementation

Recommendations

- ACE should be guided by a country-driven, holistic, and systematic approach
- Strengthening the existing skills and capacity of the ACE national focal points
- Fostering multi-stakeholder participation and establishing partnerships
- Fostering cooperation and cross-sectoral coordination among ministries
- Strengthening international cooperation to scale up action

ACE Decision 17/CMA.1

Paris Agreement work programme

- **Alignment and avoid duplication** : In 2020, when reviewing the Doha work programme on Article 6 of the Convention, to also include efforts related to the implementation of Article 12 of the Paris Agreement
- **Integration of ACE** into nationally determined contributions, national adaptation plans, long-term low greenhouse gas emission development strategies, and climate policies
- **Development and implementation** of ACE national strategies in relation to Article 12 of the Paris Agreement
- **Nomination of ACE focal points** - Parties that have not already designated to do so, and to provide the necessary institutional support
- **Foster participation** of non-Party stakeholders to scale-up the implementation of Action for Climate Empowerment
