CLIMATE | **LEDGER**
INITIATIVE

Connecting the dots – Join the interactive sprints on Digitalization & Blockchain, Climate Action and Education

When: Wednesday, 4th December 2019, **13:30 – 15:30**

Where: COP25 Venue, FEMA - Feria de Madrid, Avda. del Partenón, 5 28042 Madrid, Spain

PROGRAMME (TBC)

BLOCK ONE	WELCOME AND INTRODUCTION
13:30 – 14:00	Introduction to the Climate Ledger Initiative and to the collaborative platform <i>Mr. Owen Hewlett, Gold Standard Foundation and Mr. Ambe Emmanuel Cheo, UNU-EHS</i>
14:00 – 14:10	Overview: 5 hot topics – 5 sprints Introduction to topics and rules of the game (JF...)
BLOCK TWO	FIVE MODERATED DESIGN SPRINTS (in parallel)
14:10 – 14:40 First round	First round: 5 parallel Sprints to dive into key topics of digitizing climate action Participants will be given a number of options, and combined with their previous experience and guidance from the facilitator, make informed choices about how they think technical or abstract information could be translated into activities that would contribute towards a lively and inspiring community and efficient climate action.
	Sprint 1 – Designing Online Collaborative Platforms for Capacity Building Moderated by Ambe Emmanuel Cheo, UNU-EHS
	Sprint 2 – Next-generation registries on blockchain Moderated by Mr. Juerg Fuessler, INFRAS
	Sprint 3 – Using blockchain for transparency in climate finance Moderated by Mr. Sven Braden, CLI
	Sprint 4 – Emerging digitized markets for decentralized renewable energy Moderated by Mr. Martin Wainstein, Yale Open Innovation Lab
	Sprint 5 – Digitizing Measuring, Reporting and Verification (MRV)

	Moderated by Mrs. Ana Lucia Moya Mora, SINAMECC, Costa Rica
14:40 – 15:05 Second round	Second round: Focus on developing actionable solutions and products Participants swap tables for this second round. Moderators stay at their tables, briefly present the main results of the first round and facilitate a discussion to translate the analysis of the first round into actionable solutions for climate actors, tech companies and policymakers.
Block Three	Future Thinking for Climate Action
15:05 – 15:20	'Elevator Pitch' from each of the tables (3 minutes max per group)
15:20 – 15:30	Wrap Up / Conclusions – closing
	BREAK FOR NETWORKING

Results from the Sprints will be made available on climateledger.org
