

Action for Climate Empowerment in North Rhine-Westphalia, Germany

ACE Hub: empowerment, capacity-building and collaboration

Since 2022, the **state of North Rhine-Westphalia** has collaborated with **UNFCCC on the Action for Climate Empowerment Hub (ACE Hub)**. To reach the climate goal set out in the Paris Agreement, this project provides **capacity building, tools and knowledge to governments, youth and other stakeholders** across the world and delivers workshops, webinars and networking events.

The activities of the ACE Hub are delivered through its three pillars focusing on national ACE focal points, youth and multi-stakeholder collaboration.

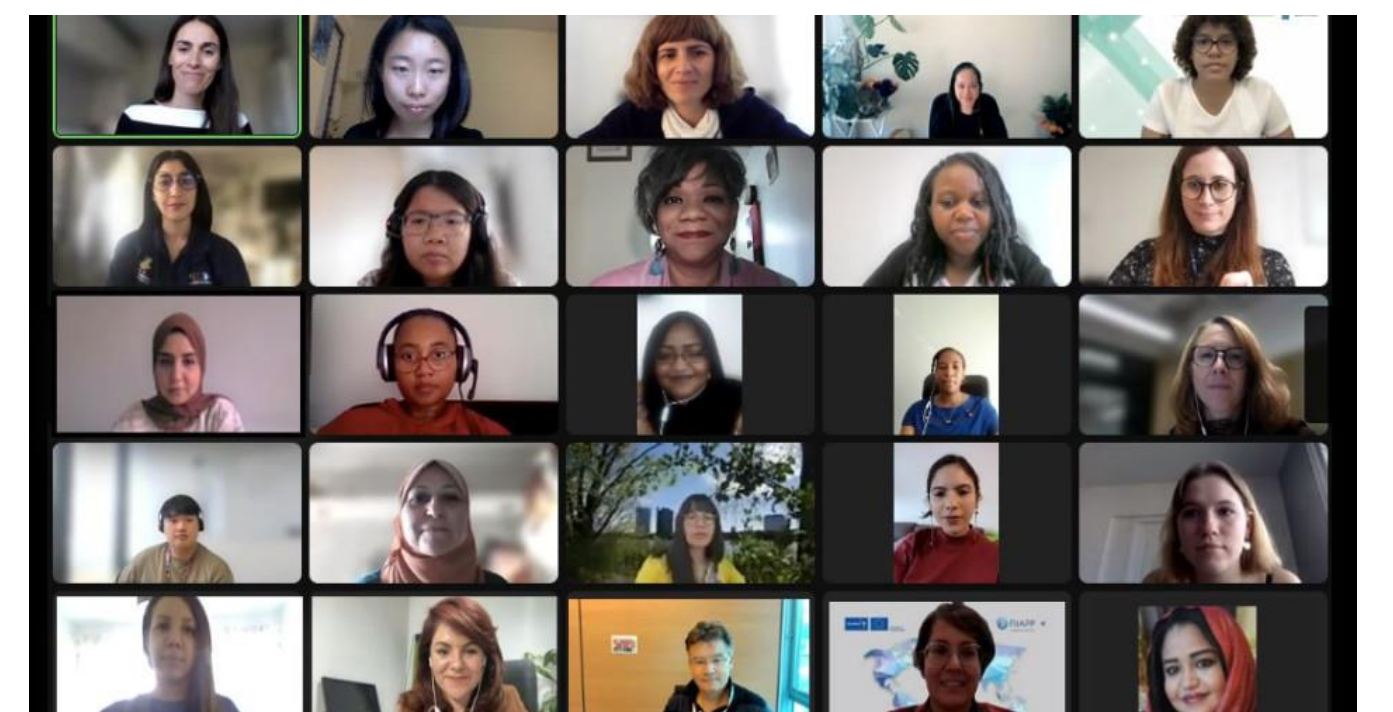

Events in 2022-2023: ACE Youth Exchange, ACE Youth Event, ACE Hackathon, ACE Focal Points Academy, Regional workshops for Focal Points, Regional Youth Dialogues, UNESCO-UNFCCC Webinar Series
