

IOM, the UN Migration Agency at COP23

Wed 15 November @ 10.00 – 11.30

Room 8 (Bonn Zone)

What: IOM Director General, William Lacy Swing will attend COP23 on 15 November and deliver a statement during the panel **Policy Coherence and Joint delivery: UN System's Support to Low-Emission and Climate Resilient Development at the National Level.**

His remarks will focus on how the international community addresses the challenges and opportunities brought about by climate change and migration. Given the massive impact of environmental degradation and climate change, IOM supports policy makers with solutions that allow people to stay, solutions to support people on the move, as well as solutions that facilitate migrations.

Details:

The DG will be available for interviews from 13.30 to 15.00, 15 November.

An embargoed press note will be made available upon request as of 14 November.
