Reflection

- Looking at your current role, what are the top 5 responsibilities? [**In your view, what are the top 5 responsibilities of NGCCFPs?**]
- Please explain to us the structure of your role. [**Please explain to us the ideal structure of the role.**]
- Looking at your current role, what aspects in its structure have been key in enabling you to successfully carry out your role? [**What would be key in the structure of the role enable the NGCCFP to successfully carry out their role?**]
- Looking at your current role, what aspects in its structure could be improved to better carry out your role?

Self-reflective exercise for NGCCFPs: <https://bit.ly/3jUo0Ey>

Alternative exercise: <https://bit.ly/3Ew0ENo>

Group Work – Please stay seated

(estimated times)

Step 1: Brainstorm enablers for the role of NGCCFPs **(20 min)**

Step 2: Considering other groups' work **(10 min)**

Step 3: Reviewing work **(10 min)**

Step 4: Prioritization of enablers **(10 min)**

Step 5: Group Discussion **(40 min)**

Step 6: Format to present recommendations **(20 min)**

End by 12:25

Step 4: Prioritization of enablers **(10 min)**

Task: Mark your prioritization of enablers with 3 different colored sticky points to rank them as:

- *Must have to be able to perform the role*
- *Important to have to be able to perform the role*
- *Good but not that important to have to be able to perform the role*
