SDGs

NDCs

Gender-Responsive NDCs

- **Mainstreaming gender perspective in planning**
 - Low carbon society
 - Resilience of communities
- **Gender @ NDCs**
 - $\approx 1/3$; reference to a broader strategy
 - $> 1/2$; participation to planning
 - Some; decision making & agents of change
 - None! Gender responsive budgeting*
- **Opportunities**
 - ❖ Mutual benefits and greater returns for SDGs and climate action
 - ❖ Enhanced ambition level of NDCs
 - ❖ Synergies for reporting under SDGs and PA
