SBM Workplan 2026 – possible extension of meeting days

Article 6.4 Supervisory Body – 21st meeting

Bonn, Germany, 18 to 21 May 2026

The Supervisory Body may wish to consider providing a mandate to the secretariat to prepare a revised version of the “Procedure for development, revision and clarification of methodologies and methodological tools” for consideration by the Supervisory Body at a future meeting, with a view to:

- a) clarifying areas of the current procedure in light of lessons learned and experience gained by the MEP and the secretariat in the development of methodologies and tools in recent years, and
- b) incorporating provisions necessary to operationalize deviations as envisaged under the approved activity cycle procedure.
