

# NDC-SDG Connections

Enhancing access and transparency

[ndc-sdg.info](http://ndc-sdg.info)

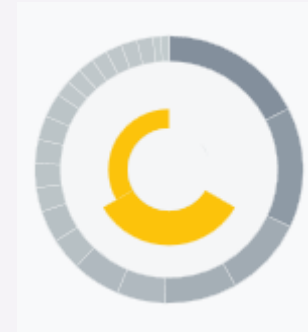

Our analysis aims to:

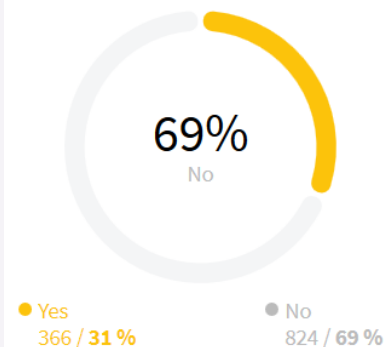

- foster the dialogue of how to meaningfully complement the two agendas
- Increase transparency with easy accessibility of all climate activities
- Foster learning and partnerships across countries and to raise the ambitions for next round of updated NDCs

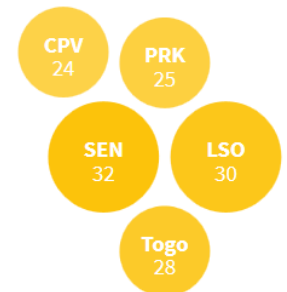

#### Type of climate action

Adaptation	11 / 1%
Mitigation	1107 / 93%
Both	40 / 3%
Other	32 / 3%

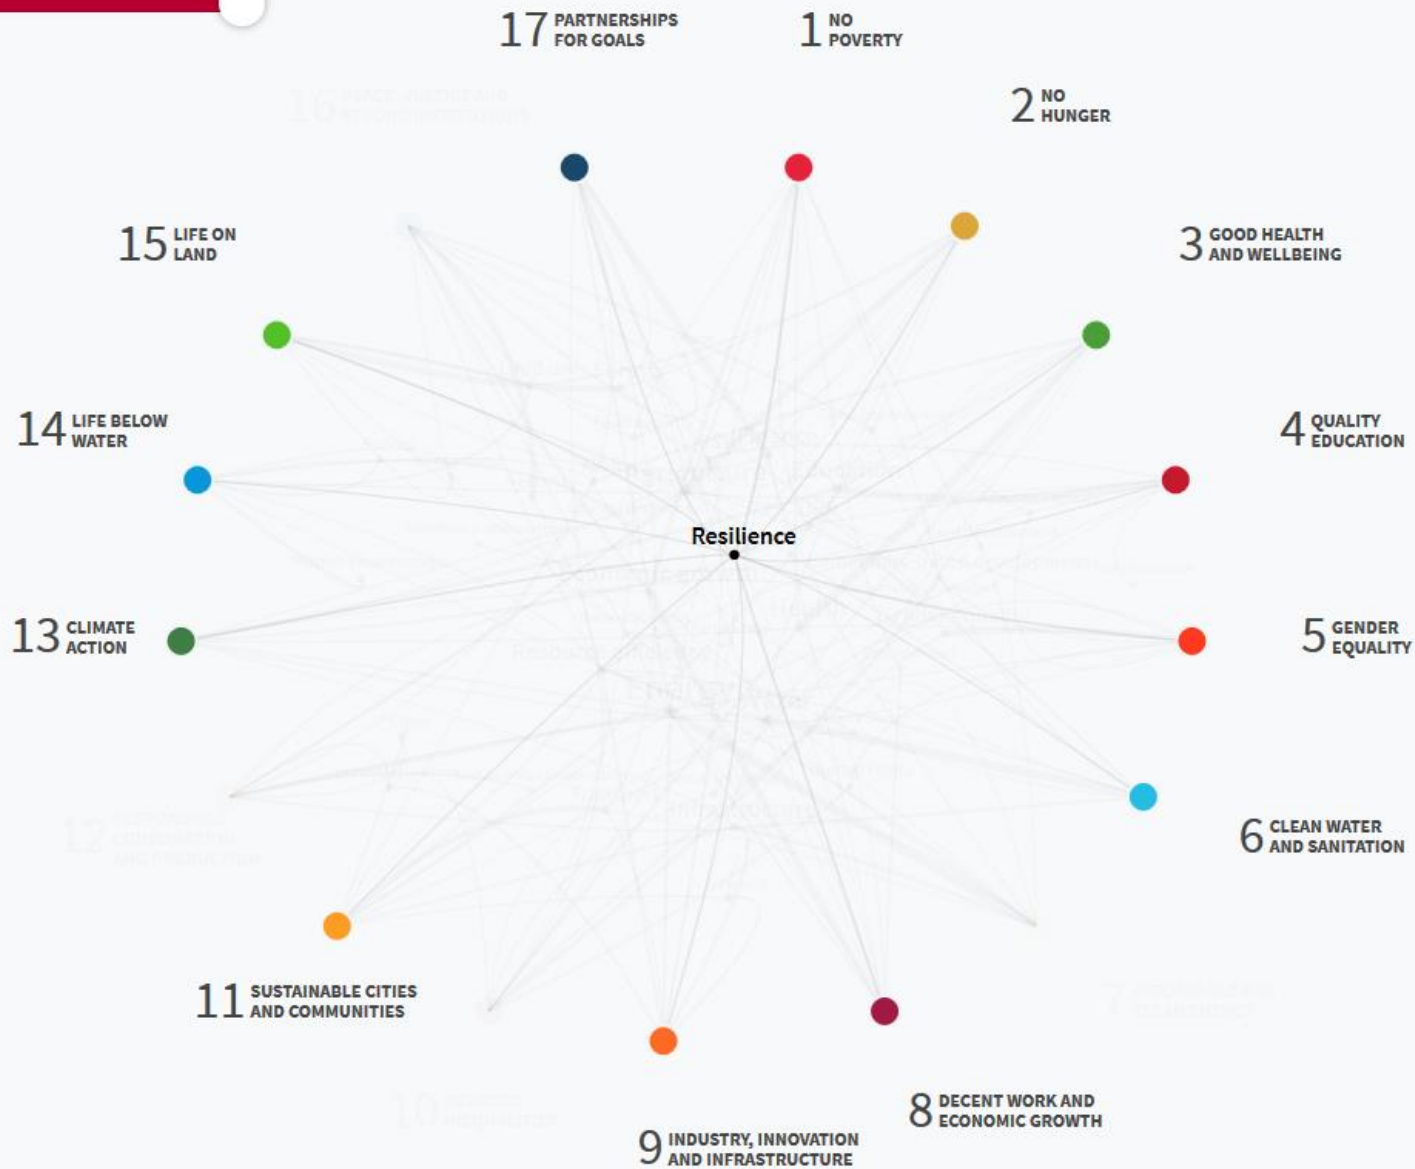

#### Percentage of targets that are quantifiable

#### Top 5 countries by number of climate activities

TOP 10
