

Story of CliMates Community

By: Jiangnan Shen

Why cliMates?

It brings us together

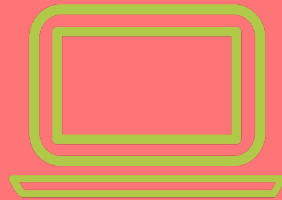

WE ARE CLIMATE GENERATION

NEXUS

Curiosity can be nurtured into the capacity to act. Mates are encouraged to seek the nexus to keep them motivated.

RESOURCES

CliMates faithfully backup for Mates to pursue their goals regardless of background, Online and in-person.

GO LOCAL

This is the starting point of the community in China becoming responsible for their home.

Thank you!
