

## **The Third High-level Ministerial Dialogue on the Climate Finance regarding information to be provided by Parties in accordance with Article 9, paragraph 5, of the Paris Agreement**

### **Information about the resource persons**

**Li Gao**

**Vice Minister of Ecology and Environment, China**

From 1987 to 1992, he studied in the Department of Environmental Engineering at Tsinghua University, and holds a Master's degree in Environmental Engineering from Tsinghua University, a Master's degree in Environmental Management from Yale University, and a Ph.D. in Environmental Science and Engineering from Tsinghua University.

Since 1997, he has worked on climate change and sustainable development at the Administrative Centre for China's Agenda 21 of the Ministry of Science and Technology. In 2008, he participated in the establishment of the Department of Climate Change of the National Development and Reform Commission (NDRC), and served as director of the division of International Policies and Negotiations. In this role, he organized and coordinated the Chinese delegation at the United Nations Climate Change Conferences (COP). He became Director-General of the Department of Climate Change in 2017.
