

## Supporting Article 6.8 implementation: Lessons and opportunities

Ma. Eliza J. Villarino | [e.villarino@cgiar.org](mailto:e.villarino@cgiar.org)

Alliance of Bioversity International and CIAT | CGIAR Climate Action Science Program

**Support system**

**Support experience**

Engagement in  
the negotiating  
space is essential

Raising  
awareness is  
critical

Sharing  
implementation  
experience can  
inform collective  
progress

## **Lessons learned**

Integrate NMA  
identification  
and  
documentation  
into new and  
ongoing projects

Use outreach  
and side events  
to raise  
awareness of  
Article 6.8

NMA registration  
provides formal  
recognition of  
contributions to  
Paris Agreement

## **Opportunities**

**Thank you!**
