DECLARATION ON AVOIDANCE OF DOUBLE ISSUANCE FOR PROVISIONAL REQUESTS FOR ISSUANCE FOR ARTICLE 6.4 TRANSITION PROJECTS

(Version 02.0)

BASIC INFORMATION	
UNFCCC project reference number:	>> *Provide UNFCCC unique reference number of the project.*
Project title:	>> *Provide the title of the project.*
Host Party:	Choose a Party.
Monitoring period:	**Start date:** Enter a date. **End date:** Enter a date. *Provide the start and end-date of the monitoring period* **Sequence number:** >> *Provide the sequence number of the monitoring period within the crediting period (e.g. 01 if it is the 1st monitoring period, 02 if it is the 2nd monitoring period, etc.)*
Crediting period:	**Start date:** Enter a date. **End date:** Enter a date. *Provide the start and end-date of the crediting period to which the monitoring period applies*
A6.4 emission reductions or net removals being requested for issuance (tCO_2e):	>> *Provide the emission reductions or net removals achieved by the project being requested for issuance in the monitoring period*

SECTION A. Confirmation of lack or presence of double or revived registration

Other crediting schemes	>> *Tick only one applicable box.* ☐ **The transition project has not been registered or is not registered under any other international, regional, national, subnational or sector-wide GHG mitigation crediting scheme.** *If the first box is ticked, no further actions are required.* ☐ **The transition project was previously registered under other international, regional, national, or subnational or sector-wide GHG mitigation crediting scheme but deregistered or excluded from the other crediting scheme before fully consuming the crediting period under the other crediting scheme.** *If the second box is ticked, obtain and submit a confirmation from the other crediting scheme,* ▪ *of the effective date of deregistration or exclusion from the other crediting scheme and remaining crediting period under the other crediting scheme at the time of deregistration or exclusion.*

	▪ *that the above reported GHG emission reductions or net removals being requested for issuance under the Article 6.4 mechanism have not been credited and are not requested for crediting under the other crediting scheme.* ☐ **The transition project is currently registered under other international, regional, national, subnational or sector-wide GHG mitigation crediting scheme.** *If the third box is ticked, obtain and submit a confirmation of the other crediting scheme:* ▪ *of the effective date of the registration, the start and end dates of the crediting period, and the monitoring periods for which credits have been issued under the other crediting scheme.* ▪ *that the above reported GHG emission reductions or net removals being requested for issuance under the Article 6.4 mechanism have not been credited and are not requested for crediting under the other crediting scheme.*

SECTION B. Confirmation of avoidance of double issuance

>> Tick both boxes, if the statements are true and valid.

☐ I confirm that the reported GHG emission reductions or net GHG removals being requested for issuance of A6.4ERs are not overlapping with any of the GHG emission reductions or net GHG removals regarding which credits have been or are requested under any other international, regional, national, subnational or sector-wide GHG mitigation crediting scheme.

☐ I acknowledge that if double issuance is detected the request for issuance will be rejected by the Supervisory Body, or the amount of double issuance will be deducted from future issuance of A6.4ERs for the same A6.4 project if the requested A6.4ERs have already been issued.

SIGNATURE	
I confirm that the information provided in this form is correct	Date (DD/MM/YYYY):
	Names of the entity and the representative of the project participants[1]:
	Signature:

- - - - -

[1] Please write the name of the focal point entity designated by the project participants of the CDM project activity or PoA for scope (c) and the name of its representative as communicated to the secretariat in the modalities of communication in accordance with the relevant provisions in the "CDM project cycle procedure for project activities" or the "CDM project cycle procedure for programmes of activities", respectively available at: https://cdm.unfccc.int/Reference/Procedures/index.html
