SECTION B. Confirmation of avoidance of double issuance

>> *Tick both boxes, if the statements are true and valid.*

- ☐ I confirm that the reported GHG emission reductions or net GHG removals being requested for issuance of A6.4ERs are not overlapping with any of the GHG emission reductions or net GHG removals regarding which credits have been or are requested under any other international, regional, national, subnational or sector-wide GHG mitigation crediting scheme.
- ☐ I acknowledge that if double issuance is detected the request for issuance will be rejected by the Supervisory Body, or the amount of double issuance will be deducted from future issuance of A6.4ERs for the same A6.4 project if the requested A6.4ERs have already been issued.
