Agenda item 7a

Navigating the landscape of support for NAPs

Concept note for the 2025 update

06-09 May, Bonn, Germany

Presenter: AC member

I. Introduction and background

- First thematic report “**Navigating the landscape of support for the process to formulate and implement NAPs**” published in 2015
- Updated and complemented by an **online information source** in 2022
- 2025-2027 flexible workplan activity: **periodically update the online source**, starting in 2025 and in collaboration with relevant stakeholders

II. Considerations for the 2025 update

- Provisions of the CMA that establish **linkages between the NAP process and the GGA/UAE Framework**;
- Activities in response to decision 2/CMA.5, para 44, including the mapping and compilation of **existing technical guidance and training materials**;
- Activities of the AC and the LEG on identifying and addressing **gaps and needs of developing countries related to the NAP process** since 2022;
- Findings from the **assessment of progress in the NAP process** conducted in 2024;
- Findings of the PCCB from its 2024 focus area “**Capacity-building support for adaptation, with a focus on addressing gaps and needs related to accessing finance for NAPs**”.

III. Content of the 2025 update

- Updated information from the 2022 report
- Additional information on support available for:
 - ❖ **Thematic adaptation planning and implementation**
 - ❖ Adaptation planning and implementation, in line with the **UAE Framework's dimensional targets**
 - ❖ Incorporating **cross-cutting considerations** into NAP formulation and implementation
 - ❖ **Accessing the broad range of adaptation finance sources**
 - ❖ **Exchange of experience and peer-to-peer learning**

IV. Next steps

The AC may wish to take note of the following next steps and provide further guidance:

- The NAP TF, with the support of the secretariat, will **compile a preliminary list of the outlined support opportunities** for the AC's intersessional consideration, taking into account further guidance received at AC 27;
- The secretariat will **assess technical options for updating or revamping the online resource** for the AC's intersessional consideration;
- Taking into account further guidance provided by the AC intersessionally, the secretariat will develop a **first draft of the update for consideration at AC 28**;
- Based on further feedback received at AC 28, the secretariat will **finalize the update intersessionally and prior to COP 30**.
