Agenda item 9a

State of Adaptation Action by Parties

2026 Synthesis Report

Baku, Azerbaijan

14–17 September 2026

I. Introduction and background

- AC 27 agreed to publish, in 2026, the first synthesis report on the State of Adaptation Action by Parties, based on the information contained in the country profiles of the SoA portal and including adaptation actions relevant in the context of the **UAE Framework**
- AC 29 considered an annotated outline of the report and agreed to consider whether to adopt the report as an input to the technical assessment component of GST II at AC 30
- Intersessionally, the AC approved the first draft of the report and agreed to produce a preview version of the report for presentation at the 2026 Adaptation Forum

II. 2026 SoA synthesis report

- The 2026 SoA synthesis report has been prepared on the basis of the 198 country profiles updated as of 31 May 2026
- A preview of the report was approved by the AC intersessionally and presented at the 2026 Adaptation Forum held on 9–10 September
- The full SoA report is contained in document AC30/SYR/9A
- While updating the country profiles, the secretariat analyzed initial information relevant in the context of the mandate contained in decision 12/CMA.7, para 15
- The methodological approach to analyzing the information and initial findings are contained in document AC30/INF/9A

III. Next steps

The AC may wish to:

- **Adopt the 2026 SoA synthesis report as contained in document AC30/SYR/9A** or provide further guidance to the secretariat for its finalization;
- Request the secretariat to publish a professionally designed version of the final report ahead of COP 31;
- Consider whether to adopt the report, updated as appropriate, as one of the AC's **input to the technical assessment component of the second global stocktake** (GST II);
- Request the secretariat to **maintain the SoA portal**, including by regularly updating each country profile on the basis of newly submitted reports and communications;
- Consider the **timing and overall scope of the next SoA synthesis report** and request the secretariat to prepare a concept note for consideration by the AC at AC 31 [AC 32];
- Request the secretariat to **continue the analysis included in the annex of document AC30/INF/9A**, taking into account inputs received at AC 30, and share the further progress for the AC's consideration at AC 31.
