

Section G: Technical expert review

Scope (G.3)

Approach 1: as in PA 13.11 and 13.12

- Assistance in identification of capacity building needs [G.3.6, G.3.7, G.3.9]
- Consideration of support provided, as relevant [G.3.4.b, G.3.8]
- Consideration of implementation of and achievement of NDC [G.3.4.a, G.3.4.c]
- Identification of areas of improvements [para G.3.10]
- Review of consistency of the info with the MPGs [G3.1]

Approach 2: as in approach 1, adding the following:

- Assessment of consistency with the guidance as referred to Art 4.13 and Art 6.2. [G.3.1]
- Assessment of the TACCC of reporting. [G.3.2]

Approach 3: as in approach 1, adding the following:

- Consistency of the BTR with information submitted under the UNFCCC [para G.3.3]

Approach 4: as in approach 1, excluding the following:

- Appropriateness of NDC [G.3.12]
- Appropriateness of the use of flexibility [G.3.13]
- Political judgement [G.3.14]

Format (G.5.1)

Approach 1: Desk [G.5.1.3.a]

Approach 2: Centralized [G.5.1.3.b]

Approach 3: In-country [G.5.1.3.c]

Approach 4: Simplified [G.5.1.4.d]

Approach 5: Peer review in regional groups [G.5.1.3.e]

Frequency (G.7)

Approach 1: TER for every biennial transparency report [G.7.1, G.7.2, G.7.3, G.7.10.c, G.7.10.d]

Approach 2: TER is Linked with NDC time period [G.7.12]

Approach 3: Self determined [G.7.9]

Approach 4: Based on criteria [G.7.5, G.7.6, G.7.7]

- Thresholds for national GHG
- Quality of biennial transparency report
- Use of cooperative approaches under Art 6
- Support provided to prepare biennial transparency report

Approach 5: Annual for national inventory report [G.7.10.a, G.7.10.b, G.7.10.d]

Approach 6: LDCs and SIDS to participate at their discretion [G.7.3]

Approach 7: Adequate time to allow Parties to implement recommended improvements [G.7.8.]

Approach 8: No less than once every five years [G.7.10.e]

Note: Details on the proposals regarding to which Party the elements above would apply are contained in the corresponding paragraph of the light revision of the informal note.
