

Section D: Information related to climate change impacts and adaptation under Article 7 of the Paris Agreement

- **Linkage between development of MPGs for section D of CF informal note under APA 5 and guidance for adaptation communications under APA 4? (D and D.12)**
 - **Approach 1:** [Pending outcome of discussion at the joint APA agenda items 4 and 5 informal consultations on 8 May 2018]
 - **Approach 2:** ...
- **Information related to loss and damage (D.5)**
 - **Approach 1:** MPGs should include reporting on information related to loss and damage.
 - **Approach 2:** MPGs should not include reporting on information related to loss and damage.

Note: Details on the proposals regarding to which Party the elements above would apply are contained in the corresponding paragraph of the light revision of the informal note.
