Additional tool under item 8 of the agenda

Further matters related to implementation of the Paris Agreement: (a) Preparing for the convening of the first session of the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement; (b) Taking stock of progress made by the subsidiary and constituted bodies in relation to their mandated work under the Paris Agreement and section III of decision 1/CP.21, in order to promote and facilitate coordination and coherence in the implementation of the work programme, and, if appropriate, take action, which may include recommendations.

Informal document by the Co-Chairs

A. Mandate

1. The Ad Hoc Working Group on the Paris Agreement (APA), in order to facilitate deliberations at APA 1.6, requested its Co-Chairs, with the assistance of, to the extent possible, the persons who facilitated work on the relevant matters at APA 1.5, to prepare, by 1 August 2018, tools that are additional to and based on the informal notes contained in the annex to the APA 1.5 conclusions, including proposals for streamlining the outcome of the APA at APA 1.6 and examples of how Parties could further progress towards the development of an agreed basis for negotiations, taking account of the level of maturity and delicate balance achieved to date for individual items. The streamlining should not imply the insertion or deletion of substantive concepts or textual narratives.

2. The APA noted that the tools referred to in paragraph 1 above would be prepared by the Co-Chairs under their own responsibility, and emphasized that at this stage in the negotiations it would be important to ensure that all options identified by Parties remain on the table, recalling the right for any Party to make submissions to be considered under the relevant agenda items.

B. Scope

3. The annex contains the additional tool relating to agenda sub-item 8(a), “Further matters related to implementation of the Paris Agreement: preparing for the convening of the first session of the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement”, that addresses the possible additional matters relating to the implementation of the Paris Agreement.

2 FCCC/CP/2018/2, paragraph 21.
3 FCCC/CP/2018/2, paragraph 22.
4 The possible additional matters are (1) modalities for biennially communicating finance information on the provision of public financial resources to developing countries in accordance with Article 9, paragraph 5, of the Paris Agreement; (2) initial guidance by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement (CMA) to the operating entities of the Financial Mechanism (the Green Climate Fund and the Global Environment Facility) under Article 9, paragraph 8, of the Paris Agreement and decision 1/CP.21, paragraphs 58 and 61–63; (3) initial guidance by the CMA to the Least Developed
which some Parties consider should be addressed under the Paris Agreement work programme (PAWP), and an in-session submission made by a Party at APA 1.5. The tool was prepared by the APA Co-Chairs in their capacity as co-facilitators of the deliberations on the agenda sub-item.

4. During the informal consultations held at APA 1.5, Parties also considered agenda sub-item 8(b), “Further matters related to implementation of the Paris Agreement: taking stock of progress made by the subsidiary and constituted bodies in relation to their mandated work under the Paris Agreement and section III of decision 1/CP.21, in order to promote and facilitate coordination and coherence in the implementation of the work programme, and, if appropriate, take action, which may include recommendations”, and made recommendations on how to ensure coordination and coherence in the implementation of the PAWP. Relevant outcomes are reflected in the APA 1.5 conclusions and will be implemented, as appropriate, at APA 1.6. Deliberations on the sub-item will continue at APA 1.6.

C. Approach

5. Further to the discussions under the APA, the tool contains options for recommendations that the APA could forward through the Conference of the Parties (COP) at its twenty-fourth session for consideration by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement (CMA) at the third part of its first session (December 2018), in relation to the following possible additional matters:

(a) Initial guidance by the CMA to the operating entities of the Financial Mechanism (the Green Climate Fund and the Global Environment Facility) under Article 9, paragraph 8, of the Paris Agreement and decision 1/CP.21, paragraphs 58 and 61–63;

(b) Initial guidance by the CMA to the Least Developed Countries Fund and the Special Climate Change Fund in accordance with decision 1/CP.21, paragraph 58;

(c) Modalities for biennially communicating finance information on the provision of public financial resources to developing countries in accordance with Article 9, paragraph 5, of the Paris Agreement;

(d) Setting a new collective quantified goal on finance in accordance with decision 1/CP.21, paragraph 53.

6. Consistent with the current state of discussions under the APA, the tool does not contain options for recommendations that the APA would forward through COP 24 for consideration at CMA 1 in relation to the following:

(a) Guidance by the CMA on the adjustment of existing nationally determined contributions under Article 4, paragraph 11, of the Paris Agreement, as Parties are of the view that no recommendation should be forwarded by the APA to CMA 1 on this matter. The APA could include in its report to COP 24 that the CMA may wish to address this matter at a future date;

(b) An in-session submission that called for space to consider modalities, procedures and guidelines for enhancing understanding, action and support for loss and damage in accordance with Article 8, paragraphs 3 and 4, of the Paris Agreement, as, while recognizing the submission, there were no recommendations identified by Parties on a way forward.

7. Neither the inclusion of paragraphs nor the absence of options is intended to imply that consensus exists among Parties on the respective elements.

5 Different views have been expressed by Parties on whether the possible additional matters should be added to the Paris Agreement work programme for CMA 1, including the issues discussed under APA agenda item 8.

6 See the informal note on agenda item 8 contained in document FCCC/APA/2018/L.2/Add.1.

7 FCCC/APA/2018/2, paragraphs 16–27.
D. Possible action by the Ad Hoc Working Group on the Paris Agreement

8. APA 1.6 may wish to consider this tool, in addition to the relevant informal note contained in the annex to the APA 1.5 conclusions, in its deliberations.
