Climate Change

Action and Support

Expert group under the
Warsaw International Mechanism
for Loss and Damage
(ASEG)

Expert group on action and support (ASEG)

- Assists ExCom in
 - Implementing mandates regarding action & support
 - Enabling countries to undertake enhanced actions for averting, minimizing and addressing loss and damage
- Provides thought leadership to ExCom on ways to assist developing countries in ensuring that resources are available for averting, minimizing and addressing risks arising from climate change impacts.
- To do this, ASEG develops technical products as defined in its Plan of Action

ASEG: Plan of Action: activities 1&2 and related products

A1.
Strengthen
dialogue with
the Standing
Committee on
Finance

A2.
Access GCF
funding related
to the 5-year
rolling workplan

Products

- Written inputs to draft guidance relating to the operating entities of the financial mechanism under the Convention & the Paris Agreement.
- A periodic summary of projects funded & financial instruments used.
- Compilation of lessons learned, good practices & challenges related to the GCF investments.
- Sample funding proposals.

ASEG: Plan of Action: activities 3&4 and related products

B.
Available
sources of
support under
and outside
COP and PA

C. Collaboration
with other
ExCom expert
groups

Products

- Collection & mapping of support opportunities.
- Accessible products to introduce available sources of support for the 5 strategic workstreams.
- Technical guides on topics in the ASEG's thematic area, together with the other expert groups.

ASEG: Plan of Action: activities 5&6 and related products

D. Collaboration
with relevant
bodies and
organizations

E. Organization
of events to
share
information

Products

- Collaborative activities in delivering an initial set of outputs identified in this PoA.
- Identification of further activities and outputs to deliver.
- Organization of events.

ASEG: Plan of Action: activities 7&8 and related products

F. Analysis of enabling conditions for risk transfer & social protection schemes

Developing recommendations to the ExCom for consideration by Parties

Products

- Accessible products on enabling conditions for effective implementation of risk transfer & social protection schemes.
- Recommendations to the ExCom for Parties' consideration.
