

CLIMATE NEUTRAL NOW PLEDGE APPENDIX

Thank you for making a pledge to Climate Neutral Now. To validate your pledge, please complete the form below by answering each one of the following questions and send this document to the UNFCCC secretariat at ClimateNeutralNow@unfccc.int

Please refer to the [explanatory document](#) for further information on how to complete this appendix.

STEP 1: MEASURE YOUR GREENHOUSE GAS EMISSIONS

1. What is the reporting period for this appendix? (please indicate the calendar or fiscal year, or another period as applicable)

☒ 01/12/2019 – 30/11/2020

2. What standard or methodology are you using when quantifying your GHG emissions?

GHG Protocol Corporate Reporting & Accounting Standard

[If other, please specify here.](#)

3. Which categories are included in your estimation of emissions?

- ☐ Electricity generation
- ☐ Heat generation
- ☐ Heat consumption
- ☒ Electricity consumption
- ☐ Fuel consumption for purposes other than heat or electricity generation
- ☒ Air travel
- ☐ Transport by car
- ☐ Public transport by bus
- ☒ Public transport by taxi
- ☒ Public transport by train
- ☐ Other modes of public land transport
- ☐ Waste
- ☐ Water consumption

Please use the following space to provide more details as required, or to indicate **other** categories not listed above, such as Scopes 1, 2 and 3 according to the GHG Protocol: **The emissions associated with the**

purchase of materials and their freight have been included as scope 3 emissions. Hotel stays are also included as scope emissions.

4. Is your GHG data publicly available? If yes, please provide a web link or a copy of the report.

☐ No

5. Which GHGs are included in your estimation?

- ☒ Carbon dioxide (CO₂)
- ☒ Methane (CH₄)
- ☒ Nitrous oxide (N₂O)
- ☒ Hydrofluorocarbons (HFCs)
- ☒ Perfluorocarbons (PFCs)
- ☒ Sulphur hexafluoride (SF₆)

[Please enter any comments here.](#)

6. What is the amount of total emissions?

21,001.38 tons

STEP 2: REDUCE YOUR EMISSIONS

1. Do you have a greenhouse gas emissions reduction target? If yes, please indicate it.

[Yes, 5% less in 2021](#)

- Please list your greenhouse gas emissions reduction actions here.

We will contract an advisor in revolutionising the waste management to reduce waste and environmental impact

By 2025, we target to prevent 8 billion kg CO₂-equivalent emissions, add 120 million kg oxygen to the environment, stop landfills and generate 7000 direct green jobs.

We are aiming to reduce our emissions in our offices with actions as: Use public transportation or carpool to get to work, to choose a laptop over a desktop, to always reduce, reuse, recycle where possible

A review of the logistics network used to freight goods purchased will be carried out to identify opportunities to reduce number of journeys and if possible, to use alternative modes of transport e.g. rail, that have lower associated emissions.

STEP 3: OFFSET YOUR UNAVOIDABLE EMISSIONS

1. Which categories are being compensated with offsets?

☐ All measured categories

- ☒ Electricity consumption
- ☐ Electricity generation
- ☐ Heat generation
- ☐ Electricity generation
- ☐ Fuel consumption for purposes other than heat or electricity generation
- ☒ Air travel
- ☐ Transport by car
- ☐ Public transport by bus
- ☒ Public transport by taxi
- ☒ Public transport by train
- ☐ Other modes of land transport
- ☐ Waste
- ☐ Water consumption

Please use the following space to provide more details as required, or to indicate **other** scopes not listed above, such as Scopes 1, 2 and 3 according to the GHG Protocol::

Please see above.

2. If you are using other offsets in addition to UN Certified Emissions Reductions (CERs), please indicate which ones.

VCU's

2. How many tons of CO2 equivalent are you offsetting during this period?

300 tons

3. How many CERs are you using during this period?

30 tons

4. Which platform did you use to purchase the CERs?

☐ United Nations Carbon offset platform

5. Please provide proof of purchase/cancellation of the CERs here or attach it to your e-mail or provide a link to a relevant public registry/website.

Please find attached the certificates
