FOR CLIMATE CHANGE EDUCATION

CLIMATE EDUCATION PROJECT IN ZAMBIA

ABOUT THE PROJECT

This is the flagship training programme to enhance the capacity building of young people on climate change. It is a five year from 2024 to 2028 in line with the four year action plan under the Glasgow Work Programme on Action for Climate Empowerment which was adopted by parties at COP 27 in Egypt, Sharm EL Sheikh. The project focuses on taking immediate action through short term, clear and time bound activities that cover the six pillars such as Education, Public Awareness, Public Participation, Public Access to Information and International Cooperation. This is in line with the UNFCCC Article 12 of the Paris Agreement, SDGs 13 of 2030 Vision and National 8NDP in Zambia.

SCOPE AND INCLUSION

The project will cover the the 10 provinces of the country that consist of 116 districts and 156 constituencies. It will target farmers, social enterprises, children, students, youth led organisations, negotiators, influential people and People with Disabilities (PwDs).
