# PRESENTATION OUTLINE

**Background**

**M&E Framework**

**The process**

**Dissemination**

# Background

- Implemented between 2018 and 2021, including a no cost extension
- Budget: USD 2,057,697.00 Donor partner: GCF
- Implementing Partner: UNDP
- Direct beneficiaries: Environment Planning Authority and the National Climate Change Secretariat
- Advanced the National Adaptation Plans (NAP) process for medium-term investment planning in climate-sensitive sectors
- Delivered on four outputs:
  - (1) Strengthening institutional frameworks and coordination for implementation of the NAPs process
  - (2) Expansion of the knowledge base for scaling up adaptation
  - (3) Building capacity for mainstreaming climate change adaptation into planning, and budgeting processes and systems
  - (4) Formulation of financing mechanisms for scaling up adaptation (including public, private, national and international)

Dissemination  
/communication  
approach

- ❖ Board members
- ❖ UNDP Management
- ❖ Donor Partner/GCF
- ❖ UNDP HQ
- ❖ Development and national Partners
- ❖ Media Engagement
  - ✓ Launch
  - ✓ Meetings
  - ✓ Training/workshop
  - ✓ Publication
