

Third Technical Expert Dialogue under the Ad Hoc Work Programme on the New Collective Quantified Goal on Climate Finance

Information about the resource persons

Andrew Kent Jan

MB Thanachart (ttb)

Andrew is a seasoned commercial banker with experience globally across more than a dozen countries covering Treasury/capital markets and Basel/risk management for wholesale and retail banking. His technical competencies include over 20 years of experience in capital and portfolio management, balance sheet and liquidity optimization, and debt capital markets. At ttb, Andrew is responsible for issuing Thailand's first green, blue and AT1 bonds from a commercial bank. Prior to banking, Andrew was a management consultant with Oliver Wyman/ERisk (NY) and PA Consulting (London/HK). He is a graduate of the Wharton School of the University of Pennsylvania.
