

Second biennial in-session workshop on information to be provided by Parties in accordance with Article 9, paragraph 5, of the Paris Agreement

Information about the resource persons

**Elena Pereira
Lead Negotiator / Climate Finance Advisor
Honduras**

Ms. Elena Pereira is the lead negotiator for Honduras and one of the lead negotiators for AILAC on climate finance. She has over 10 years of experience in international development, working with government and international cooperation agencies on climate change mitigation and adaptation actions.

As a climate finance advisor, she is currently supporting the Honduran government in the development of the national climate finance policy in the context of the country's Nationally Determined Contributions and National Adaptation Plan. Ms. Pereira holds an MSc in Carbon Finance from the University of Edinburgh.
