

3rd Capacity-building Hub UNFCCC Bodies, Entities, and Processes Day

YOUNGO Youth in Capacity-building - an Intergenerational Conversation with YOUNGO Concept Note

Background:

YOUNGO is the youth constituency of the UNFCCC, with over 10,000 individuals and 1,000 organizations as members, represents youth voices in all UNFCCC processes including capacity-building, ACE, and NDCs.

Objectives:

This dialogue aims to create a space for youth who closely follow capacity-building processes to exchange their views with global youth and key actors in UNFCCC's capacity-building and ACE processes, to discuss the current stage as well as further efforts on youth engagement in the fields of capacity-building, and NDCs.

Format:

Venue: 3rd Capacity-building Hub within COP26 (Blue zone)

Location: Glasgow, UK

Date: November 8th, 2021, Monday

Length: 60 minutes

Language: English

Modalities: Roundtable dialogue with key respondents.

General Structure:

Opening and Introduction of the YOUNGO ACE Working Group (5')

Roundtable Panel (40')

Q&A and Closing (15')

Speakers		
Name	Role	Affiliation/Organization
Timothy Damon	Contact Point, ACE	YOUNGO
Disha Sarkar	Member	YOUNGO
Hailey Campbell	Member	YOUNGO
Elizabeth Gulugulu	Contact Point, NDCs and Agriculture	YOUNGO

Moderators		
Name	Role	Affiliation/Organization
Serena Bashal	Contact Point, Renewable Energy	YOUNGO
Cathy Yitong Li	Contact Point, Technology Mechanism and Oceans	YOUNGO

Outcomes:

Address the gaps in youth capacity-building and how youth can be better supported to engage in climate action, both in civil society and UNFCCC processes.
