Liam Maguire

Senior Analyst, Climate Policy Initiative (CPI)

Photo credit: Liam Maguire

Liam Maguire is a Senior Analyst at Climate Policy Initiative (CPI), based in Washington, D.C. He co-leads CPI's analytical work in its role as technical advisor to the Green Guarantee Group, supporting research and engagement to expand the use of guarantees to mobilize climate finance. He also works on the development and structuring of innovative climate finance vehicles through the FiCS Innovation Lab, the Global Innovation Lab for Climate Finance, and other blended finance initiatives.

Prior to CPI, Liam worked across climate and international development, including roles with USAID and the International Organization for Migration. He holds a Master's in Public Affairs from Princeton University and a Bachelor's in International Studies from Boston College.
