

## SCF Forum on Financing Nature-based Solutions: Part I

### Information about the resource persons

**Dr. Bernd-Markus Liss**

*Deutsche Gesellschaft für Internationale  
Zusammenarbeit (GIZ) GmbH*

Bernd-Markus Liss leads the Section Climate Change and Climate Policy in the Division Climate Change, Environment, Infrastructure of the GIZ Department Sectoral and Global Programmes. He is also the GIZ focal point to the UNFCCC.

Prior to his current position, he worked in the Philippines as Cluster Coordinator for Environment and Climate Change overseeing a portfolio of projects on climate policy, renewable energy, environment, biodiversity, and REDD+.

Before joining GIZ in 2010, he was engaged in the consulting sector with a focus on sustainable natural resources management, biodiversity conservation, forest and climate policy. His assignments in international cooperation included work with the German government, various bilateral donors, EU, FAO, UNDP and the World Bank in Africa, Asia, the Caribbean and the Pacific.

His professional background is forest sciences with a diploma and a doctoral degree from Munich University, where he was also active in research and lecturing for several years.
