

The Standing Committee on Finance Forum on Finance for Nature-based Solutions (Part II) 2022

Information about the resource persons

Lisa Schindler Murray

Senior Manager
Policy and Partnerships
Rare

Ms. Lisa Schindler Murray is the Senior Manager of Policy and Partnerships at Rare, a conservation organization focused on behavior- and community-driven solutions, where Lisa leads on Rare's international climate and ocean policy engagements and is working to build Rare's emerging blue carbon projects.

Lisa has been an active member of the Nairobi Work Programme's (NWP) Thematic Expert Group on the Ocean, and has expertise in blue carbon policy, particularly around the UNFCCC and NDCs, and ecosystem-based adaptation.
