Ms. Suzanne RIHAL
Manager
Nature 2050 Project

Ms. Suzanne Rihal is working for CDC Biodiversité, a private subsidiary of the Group Caisse des Dépôts, a French public sector financial institution created in 1816. Suzanne is managing "Nature 2050" program, launched in 2016 by CDC Biodiversité. Nature 2050 aims at mitigating and adapting French territories to climate change through the implementation of nature-based solutions. To reach such objective, Nature 2050 funds and monitor local projects driven by public entities or NGOs, through the mobilisation of the private sector, in partnership with public institutions.
