

Fifth Technical Expert Dialogue under the Ad Hoc Work Programme on the New Collective Quantified Goal on Climate Finance

Information about the resource persons

Cor Marijs

Vivid Economics

Cor is a Senior Expert at Vivid Economics by McKinsey focusing on sustainable finance. Since joining Vivid Economics in 2011, he has worked with all MDBs and a range of other DFIs on blended finance strategies. He also supports specialist private equity funds, institutional investors and banks with the ambition to lead global Net Zero financing. He oversees McKinsey's Transition Finance Model, which has powered many of the firm's flagship client studies and thought leadership on transition finance.
