

Ms. Christiana Hagedner

Head of Programme, Programme for Energy Efficiency in Buildings (PEEB)/GIZ

Architect and energy efficiency expert, working since 2012 for GIZ and since 2018 heading the secretariat of the Programme for Energy Efficiency in Buildings (PEEB) based at the French development bank AFD. The PEEB is a French-German joint program that supports countries globally on their way to decarbonize the buildings and construction sector.
