Sophie De Coninck brings over 20 years of international development, environment, and climate change experience to her role. Prior to joining UNFCCC, Sophie worked for 10 years with the UN Capital Development Fund (UNCDF) as Head of Office (Brussels and Uganda) and as Africa (Senegal) and Global Manager of the Local Climate Adaptive Living (LoCAL) Facility, a global financing mechanism for locally led adaptation.

Earlier on, Sophie worked as policy officer on climate issues for the European Union for 4 years as well as with UNEP in Kenya for five years. Sophie has government experience, working as policy researcher for various ministries in Belgium as well as in the private sector. Sophie holds two master's degrees, one in engineering and applied economics and the other in environmental science and management from the University of Louvain, Belgium. She has worked in over 35 countries worldwide.
