Ambassador Wael Aboulmagd is a senior Egyptian diplomat with extensive experience in multilateral negotiations, international law, and global climate diplomacy. He currently serves as Assistant Minister of Foreign Affairs and Director of the Climate, Environment and Sustainable Development Department, leading Egypt's engagement across major environmental and climate processes.

He has previously served as Ambassador to Canada and Brazil, Assistant Minister for International Legal Affairs, and Special Representative of the COP27 President, and has chaired numerous international negotiations, including on behalf of the G77 and China. Ambassador Aboulmagd holds an LL.B. from Ain Shams University, an LL.M. from the University of London, and has completed advanced studies at the Hague Academy of International Law.
