SBI 56 agenda item 15(b)
Matters relating to capacity-building
Capacity-building under the Kyoto Protocol
Version 8/6/2022 15:00

1. The Subsidiary Body for Implementation (SBI) took note of the synthesis reports by the secretariat on the implementation of the framework for capacity-building in developing countries established under decision 2/CP.7, and reaffirmed in decision 29/CMP.1, and on the capacity-building work of bodies established under the Convention and its Kyoto Protocol.¹
2. The SBI reiterated that, while progress has been made in implementing the framework for capacity-building in developing countries under the Kyoto Protocol, gaps and needs remain in addressing the priority areas set out in decision 29/CMP.1.
3. The SBI noted with appreciation the outcomes of the 11th meeting of the Durban Forum on capacity-building, held at this session, on capacity-building for integrating implementation of nationally determined contributions into national sustainable recovery plans.²
4. The SBI underlined the importance of the capacity-building portal³ and the Durban Forum as means of effectively and continuously sharing information, good practices and lessons learned among a wide range of stakeholders under and outside the Convention and its Kyoto Protocol.
