

12 December 2018

**United Nations Climate Change Conference 2018
COP 24/CMP 14/CMA 1.3
Katowice, Poland, 2 – 14 December 2018**

**List of Speakers
Second Part of the Level Segment**

United Nations Climate Change Conference Katowice, 2018

The second part high-level segment of COP 24/CMP 14/CMA 1.3 will continue hearing national statements on Wednesday, 12 December. Parties will have only one opportunity to deliver a national statement during the high-level segment. Those Parties whose Head of State or Government delivered a national statement on Monday, 3 December will not be able to deliver another national statement.

Statements by intergovernmental organizations, followed by statements from non-governmental organizations are scheduled to be taken up after the completion of national statements. The statements of IGOs will be taken up in alphabetical order by organization's name.

The high-level segment will conclude on Wednesday, 12 December.

The list below is the list of speakers who wish to deliver a statement at the second part of the high-level segment of the COP, CMP and CMA. **All speakers should ensure that they are in the plenary room at least four speakers ahead of the delivery of their national statement.** They will be escorted by an usher during the presentation of the previous speaker from the seat of their delegation to a reserved chair close to the podium. **Speaking slots for those who are not in the plenary at the time for delivery of their statements will be rescheduled to speak at the end of all statements of the same category.**

Given the number of Parties who have registered their request to deliver a national statement, and the limited amount of time available, **statements on Wednesday, 12 December will be on-going without a break.** It will be necessary to limit the duration of each statement. Representatives are reminded that statements made during the resumed high-level segment should not exceed the **three-minute limit.** To be fair to all speakers, time limits will be strictly enforced. This will allow all speakers to deliver their national statements.

Parties are requested to note that the secretariat is not able to accommodate individual requests for changes in a Party's speaking slot. Parties wishing to make a change should arrange to exchange slots with another Party, and jointly notify the secretariat of the agreement that has been reached.

Full texts of the official statements will not be circulated in hard copy in plenary during the resumed high-level segment. Statements delivered during the high-level segment will be uploaded and made available on the UNFCCC website. To have statements posted on the UNFCCC webpage, Parties

Please recycle 

speaking at the resumed high-level segment are requested to e-mail an electronic copy of the statement to the following e-mail address <external-relations@unfccc.int>.

All Parties are kindly requested to provide the Conference Officer in the plenary with **15 copies** of their statements in advance to meet the needs of the interpreters and for the Conference records.

Should Parties not wish to speak but prefer only to have their statements uploaded to the UNFCCC website, the secretariat will arrange to have this done and enter the statement in the records of the Conference. Parties interested in taking up this offer should communicate their interest to the External Relations office at copprotocol@unfccc.int or to Ms. Jayne Marquard of the External Relations team, who during the high-level segment will be located at the front of the plenary.

Wednesday, 12 December 2018

10:00–end
