Climate Change

UN Climate Change Conference COP25  
2–13 December 2019  
Madrid, Spain

## UNFCCC Pavilion – Events Schedule

The UNFCCC Pavilion is located at Hall 8 in the Blue Zone.

3 Dec, Tuesday		Organizer
18:00 - 20:30	Screening of the documentary “ <a href="#">In This Climate</a> ”, directed by Pablo Ganguli and Liberatum creative director Tomas Auksas. This compelling and thought-provoking documentary features some of the most eminent thinkers and celebrated creative minds of our time sharing their personal insights about the environmental health of our world today, and more importantly, discussing how our civilization can combat climate change. Some of the celebrities featured in the documentary are: Cher, Mark Ruffalo, Sir David Attenborough, Marina Abramovic, Noam Chomsky, Christiana Figueres, Ian McEwan and Dame Vivienne Westwood, among many others.	UN Climate Change and Liberatum
