Transport and Airport Services

International travel

Domestic travel

**Conference venue
travel**

International Travel

Heydar Aliyev International Airport has a total of four terminals and two runways.

- Two of the terminals are designated for general passenger use
- One terminal is for Heads of State and Heads of Government guests
- One terminal is for business executives flying to Baku

Domestic Travel

Accredited delegates are eligible to use public buses, metro and railway services to travel across the city free of charge alongside dedicated event shuttles throughout the Conference period.

24-Hour Service: Both airport and transfer services will operate round the clock to accommodate the influx of visitors.

Venue Transportation Infrastructure

- **Parking Facilities:** Large parking areas near the stadium
- **Transport Connections:** Proximity to a transport hub, offering a railway and metro station, and the intersection of four major roads connecting the stadium with the city centre and suburbs
- **Dedicated Transport Hub:** In addition to the existing transport hub, a dedicated bus hub will be set up close to the conference venue to provide the option of a faster, seamless journey for all COP29 accredited visitors

COP29 Sustainability and Legacy Programme

GROUPS

Sustainability Legacy Programme

Capacity Building and Awareness Raising:

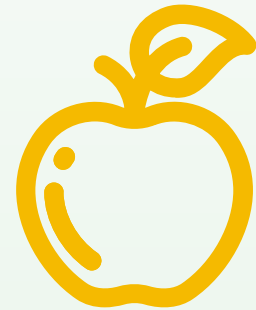

- Targeted Training Programmes: Develop and deliver training for various national stakeholders, including government officials, educators, and community leaders:
 - Foundational on-line training course
 - Segmented training courses
 - Training of Trainers (ToT) including UNFCCC Code of Conduct
- Awareness Campaigns: Launch national campaigns to raise public awareness about climate change and sustainability
- Employee engagement

Catering Strategy

Learn about our approach to catering, ensuring quality and adherence to standards.

Locally sourced
and seasonal

Nourishing and
nutritious

Clear labelling showing
allergy and dietary
information

Affordable and in line
with previous COPs

A balanced menu with high
quality vegan, vegetarian
and gluten-free options

Application of industry
standards and certifications
in catering services

Imaginative menus with
Azerbaijani and international
dishes

The **Catering Portal** will open soon and will be publicized on the **UNFCCC** and **official websites**.

Green Zone

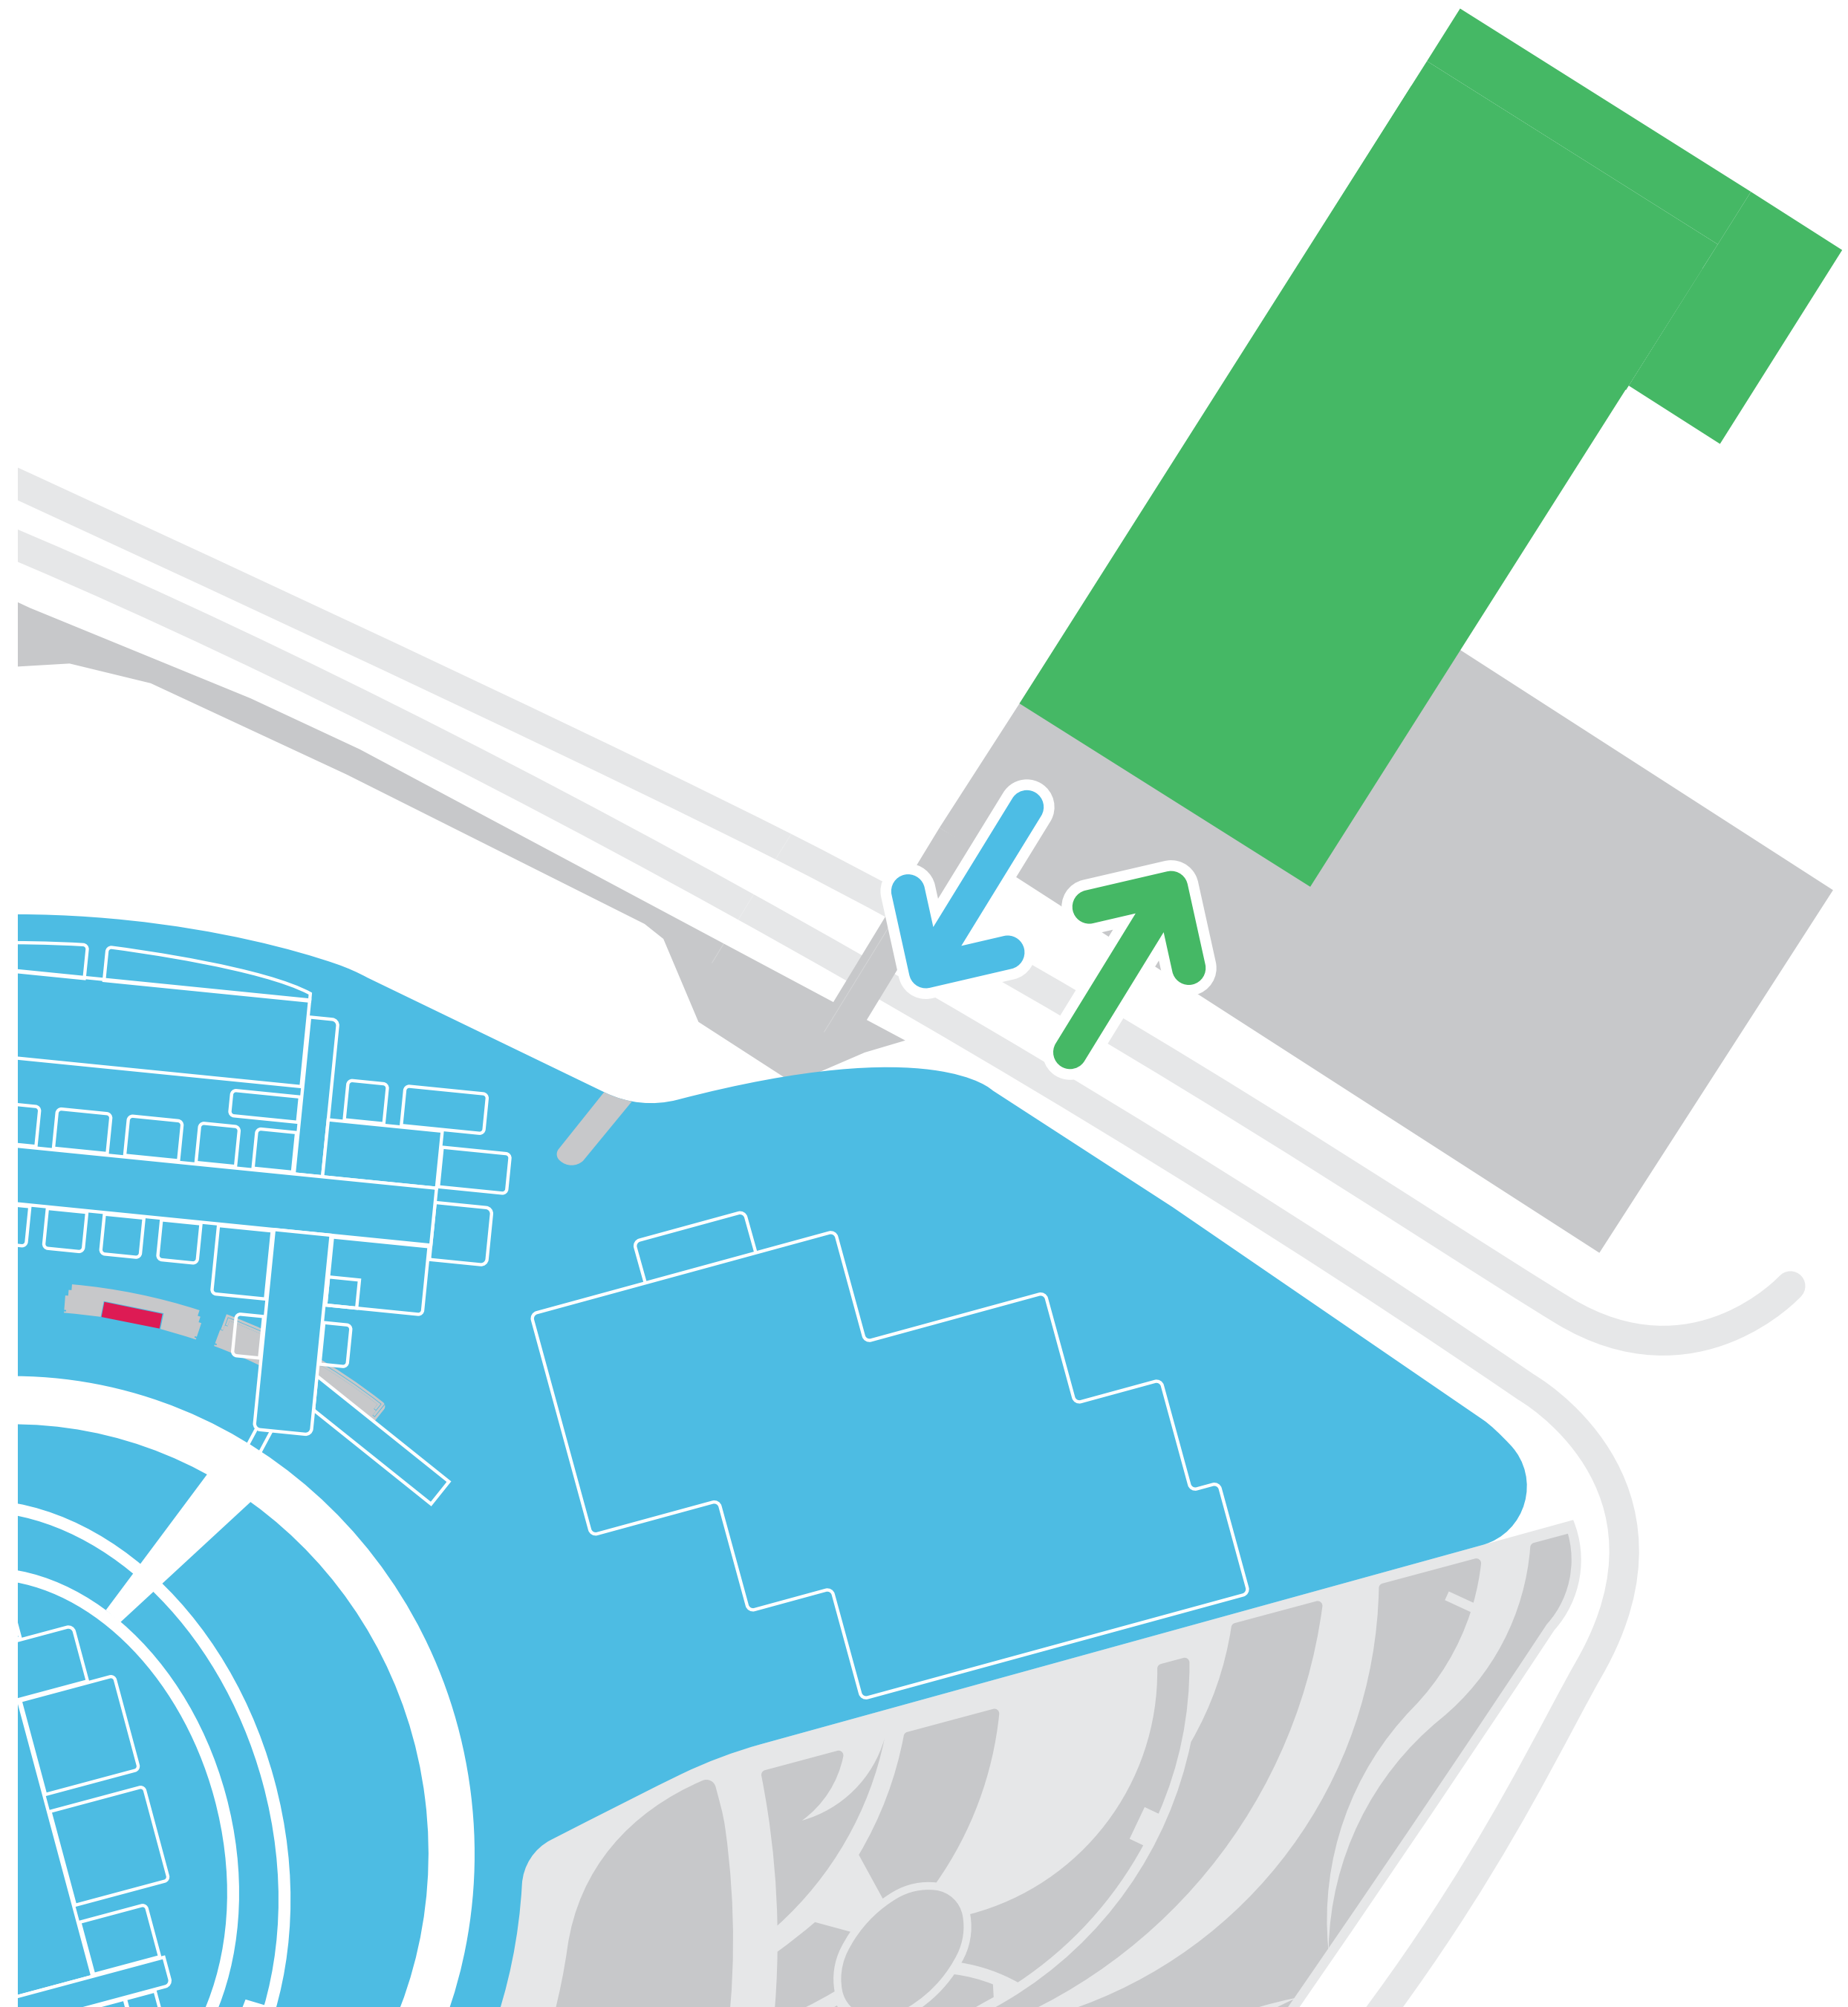

COP29
Baku
Azerbaijan

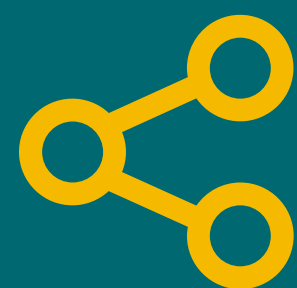

Green Zone

Managed and delivered by the COP29 Presidency.

It's a hub for engaging discussions, panels and activations showcasing both current innovations and potential solutions for combating climate change.
