Draft CMA decision on the alignment between processes pertaining to the review of the Climate Technology Centre and Network and the periodic assessment referred to in paragraph 69 of decision 1/CP.21

The Conference of the Parties serving as the meeting of the Parties to the Paris Agreement,

Recalling decisions 2/CP.17, 14/CP.18, 1/CP.21, 15/CMA.1 and 16/CMA.1,

1. Welcomes with appreciation the constructive engagement of Parties in considering matters relating to the alignment between processes pertaining to the review of the Climate Technology Centre and Network\(^1\) and the periodic assessment of the effectiveness and adequacy of the support provided to the Technology Mechanism in supporting the implementation of the Paris Agreement on matters relating to technology development and transfer (hereinafter referred to as the periodic assessment of the Technology Mechanism), undertaken by the SBI in accordance with decision 16/CMA.1, paragraph 6;

2. Notes the information note prepared by the secretariat on possible options, and their implications, for aligning processes pertaining to the independent review of the Climate Technology Centre and Network and the periodic assessment of the Technology Mechanism;\(^2\)

3. Acknowledges the importance of the effectiveness, efficiency and complementarity of work on, as well as the importance of avoiding duplication in, aligning processes pertaining to the independent review of the Climate Technology Centre and Network and the periodic assessment of the Technology Mechanism;

4. Agrees to continue the process for conducting the periodic assessment of the Technology Mechanism under the CMA in accordance with decision 16/CMA.1 and to align the periodicity of the assessment and of the independent review of the CTCN, conducted under the COP;

5. Requests the Subsidiary Body for Implementation to consider, at its sixty-fourth session (2026), other matters relating to the alignment between processes pertaining to the independent review of the Climate Technology Centre and Network and the periodic assessment of the Technology Mechanism with a view to recommending a draft decision on this matter for consideration and adoption by the Conference of the Parties serving as the meeting of the Parties to the Paris Agreement at its eighth session (2026).

{To be included in COP decision on second review of the CTCN}

1. Decides to align the periodicity of the independent review of the Climate Technology Centre and Network with the periodic assessment of the effectiveness and adequacy of the support provided to the Technology Mechanism in supporting the implementation of the Paris Agreement on matters relating to technology development and transfer\(^3\) by changing the periodicity of the independent review from four to five years until the Conference of the
