Common time frames for nationally determined contributions referred to in Article 4, paragraph 10, of the Paris Agreement

The Conference of the Parties serving as the meeting of the Parties to the Paris Agreement,

Recalling Article 4, paragraph 3, of the Paris Agreement *{that each Party's successive nationally determined contribution will represent a progression beyond the Party's then current nationally determined contribution and reflect its highest possible ambition, reflecting its common but differentiated responsibilities and respective capabilities, in the light of different national circumstances}*,

Also recalling Article 4, paragraphs 9–10, of the Paris Agreement *{that each Party shall communicate a nationally determined contribution every five years in accordance with decision 1/CP.21 and any relevant decisions of the Conference of the Parties serving as the meeting of the Parties to this Agreement and be informed by the outcomes of the global stocktake referred to in Article 14; that the Conference of the Parties serving as the meeting of the Parties to this Agreement shall consider common time frames for nationally determined contributions at its first session;}*,

Further recalling decision 6/CMA.1, paragraph 2, *{that Parties shall apply common time frames to their nationally determined contributions to be implemented from 2031 onward;}*

Option 1

Decides that each Party shall communicate in 2025 a nationally determined contribution with an end date of 31 December 2035, in 2030 a nationally determined contribution with an end date of 31 December 2040, and so forth every five years thereafter.

Option 2

Decides that each Party shall communicate in 2025 a nationally determined contribution with an end date of either 31 December 2035 or 31 December 2040, in 2030 a nationally determined contribution with an end date of either 31 December 2040 or 31 December 2050, and so forth every five years thereafter.
