MESSAGE TO CONSTITUENCIES OF ADMITTED NON-GOVERNMENTAL ORGANIZATIONS

Nomination for NGO participants to mandated events and information on other events

Climate Week - 4 Baku, Azerbaijan, 7 - 11 September 2026

The secretariat refers to the [Message to Parties and observers](#) dated 29 January 2026 regarding the Climate Weeks- in 2026, as well as the notification dated 11 March, informing that Climate Week -4 will be held from 7 to 11 September 2026 in Baku, Azerbaijan.

This message to constituencies of admitted non-governmental organizations (NGOs) includes information on mandated events taking place during Climate Week-4 that are open for nomination of NGO representatives, as well as the corresponding participation modalities. All mandated events will be organized in accordance with their respective mandates under the Conference of Parties serving as the meeting of Parties to the Paris Agreement and of the Subsidiary Bodies. The complete overview programme for Climate Week-4 is available [here](#). Detailed information on each event will also be made available on the general [events webpage](#) and on the dedicated webpage of the respective event.

Climate Week-4 will also host the [Implementation Forum](#), with the overall objective to focus on actionable solutions, bringing together implementers and policymakers to accelerate climate action. More information on the Forum can be found in annex III.

Participation in most mandated events is facilitated through the [NGO constituencies](#), so as to aim for a balanced representation of the admitted non-governmental organizations. Please note that nomination of representatives will be at the discretion of the respective NGO constituencies. In this context, NGO constituency focal points (CFPs) are invited to carefully review the information contained in annexes I to III of this communication.

Distribution: To constituency focal points of non-governmental organizations admitted as observers by the Conference of the Parties.

Detailed information on all events, including nomination, is provided in the annexes. For the latest updates, nomination and registration procedures, logistical information, and event agendas please visit the [Climate Week-4 webpage](#) and the webpages of the respective events, where information will be published as it becomes available.

All foreign participants entering the Republic of Azerbaijan must hold a passport valid for at least six months from the date of entry into the Republic of Azerbaijan.

NGO representatives registered for in-person participation and that require a visa to travel to the Republic of Azerbaijan are strongly encouraged to contact the competent Republic of Azerbaijan mission or consular authorities as soon as possible to allow sufficient time for the necessary visas (and transit visas if required) to be issued.

Participants are also strongly encouraged to obtain comprehensive international medical insurance for their period of participation. The United Nations and the UNFCCC secretariat disclaim all responsibility for medical, accident and travel insurance, for compensation for death or disability, for loss of or damage to personal property and for any other costs or losses that may be incurred during travel or the period of participation.

Queries on Climate Week-4 may be sent to the contacts listed on [this webpage](#), as well as to climate-week@unfccc.int.

Climate Week-4 will benefit from the active engagement of the host country. More information on this will be made available in due course.

Annex I

Nomination for mandated events

CFPs are invited to nominate participants for in-person attendance and virtual participation, where applicable, for the mandated events listed below.

Nomination lists of representatives to mandated events should be communicated to the secretariat by the CFPs via cool@unfccc.int by **24 July 2026, CEST 23:59** at the latest. CFPs are further encouraged to nominate individuals with expertise and experience relevant to the event for which they are nominated.

Admitted NGOs are advised that nomination through the CFPs is the only official channel for nominating participants for the events during the Climate Week-4. The secretariat is not in a position to process nominations submitted by any other method.

Please note that it is imperative that a correct and unique email address be provided for each nominated participant for swift processing of nominations and initiating the registration process. Once a participant has been nominated for an event, they will receive an email with registration details via Indico UN. Logistical details related participation will be published on the [Climate Week-4 webpage](#).

The nominated in-person participants will be self-funded and responsible for covering all expenses related to their travel arrangements, unless otherwise communicated.

In view of the need to confirm the arrangements for Climate Week-4 events as early as possible, the secretariat will not be in a position to process late nominations submitted after **24 July 2026, CEST 23:59**.

Annex III

Implementation Forum

The **Implementation Forum** will take place on 9 and 10 September 2026 and will feature a series of events, including Implementation labs, Impact dialogues and COP presidency events, focused on actionable solutions, bringing together implementers and policymakers to accelerate climate action. The thematic focus of the events will be based on the six axes of the global climate action agenda¹¹ ensuring alignment to the first GST outcomes, while also reflecting broader priorities relevant to implementation, including industrial decarbonization and access to finance. The Implementation Forum is a key pillar of Climate Weeks, under which Parties and non-Party stakeholders can exchange on practical implementation solutions. Convening these discussions at the Climate Weeks helps localize the Global Climate Action Agenda, highlighting region-specific initiatives while drawing on global expertise and supporting preparations towards the second GST.

Additional details, including the specific events, are available on the [Implementation Forum event page](#). All participants registered for the events taking place during Climate Week-4, will be able to join the two-day Implementation Forum. Registration for the Implementation Forum will also be possible for any stakeholders (Parties, media, observers, and other non-Party stakeholders), pending availability of space. Details about this registration process are available at the link above.

In addition to the events referred to in annex I and II which are indicated as taking place on 9 and 10 September, the following events will also be held during the Implementation Forum. The exact titles of these events may be subject to change and will be updated on the webpage as necessary. Participation is open to all attendees of Climate Week-4, subject to space availability:

- COP 30 and incoming COP 31 Presidency events;
- NAZCA portal redevelopment roadmap and Net-Zero Recognition Framework pilot;
- Implementation Labs under 6 Axes of Global Climate Action Agenda;
- Impact Dialogues with private sector and subnational governments;
- Marrakech Partnership convening;
- Upholding Information Integrity on Climate Change;
- Turning Knowledge into Action: How Universities Drive Just and Inclusive Climate Ambition and Implementation.
