Standing Committee on Finance

Call for submissions

2027 Forum of the Standing Committee on Finance on Investments and Financing for Climate Technology Innovation

The 2027 SCF Forum will discuss investment and financing of climate technology innovation for climate change mitigation and adaptation, including in agriculture, energy, transport, and water sectors, taking into account circular economy approaches.

Call for submissions

The SCF invites interested Parties and stakeholders to provide submission on its 2027 Forum, tentatively scheduled for 27–28 September 2027 (venue to be confirmed). *The SCF remains open to organize the Forum back-to-back with relevant events in collaboration with interested partners.*

Scope of submission

Parties and observers are invited to provide submissions, **with a particular focus on the investment and financing aspects of climate technology innovation,** including:

1. Relevant topics and sub-themes to be considered in designing the Forum;
2. Examples and case studies related to the Forum theme and their description;
3. Potential institutions and events for the Forum to partner with.

Deadline and next Steps

Deadline for submission of input on the 2027 SCF Forum is **Friday 22 January 2027**. Please send the submission to: standingcommittee@unfccc.int.

The co-facilitators will prepare a synthesis of submissions for consideration by the SCF at its 42nd meeting from 15 to 17 February 2027.

About the Standing Committee on Finance

The SCF assists the COP in exercising its functions with respect to the Financial Mechanism of the Convention through various activities. One of the flagship activities of the SCF is organizing a forum for communication and continued exchange of information among bodies and entities dealing with climate change finance in order to promote linkages and coherence. SCF Forums connect the UNFCCC with public and private actors involved in climate finance issues at global, regional and national levels. Visit the SCF webpage for more information.
