

# CLIMATE ADVOCACY TRAINING FOR YOUTH (CATY)

**Nurture Hong Kong Climate Advocacy Youth Leaders**

CATY aims to identify young people with strong commitment and dedication to advocating issues related to the climate emergency, carbon neutrality, climate just transition, sustainable development, and other related environmental issues, and nurturing them to be the next-generation leaders in climate advocacy.

## CATY Impact

4 QUALITY EDUCATION

7 AFFORDABLE AND CLEAN ENERGY

11 SUSTAINABLE CITIES AND COMMUNITIES

13 CLIMATE ACTION

17 PARTNERSHIPS FOR THE GOALS

85 Nurtured Students

16 Incubated Community Climate Advocacy Projects

27 Nominated Youth Delegates to UNFCCC COP, Bonn & APCW

CATY focus on equipping talented youths from Hong Kong with the confidence and ability to participate effectively in local, regional and global conventions on environmental and social issues.

CATY students initiate their climate advocacy projects according to the climate issues that they concerned, urging the government and stakeholders to take a more ambitious and committed climate action.

Outstanding students will be selected as CCIL's youth delegates to participate in international climate forums, like the COP, Bonn, Youth4Climate or Asia-Pacific Climate Week.
