

Supporting Green Jobs assessments Latin America and the Caribbean

▶ **Green Jobs Assessment Institutions Network** : LAC regional hub under consideration

Rapid Situational Analysis (qualitative)

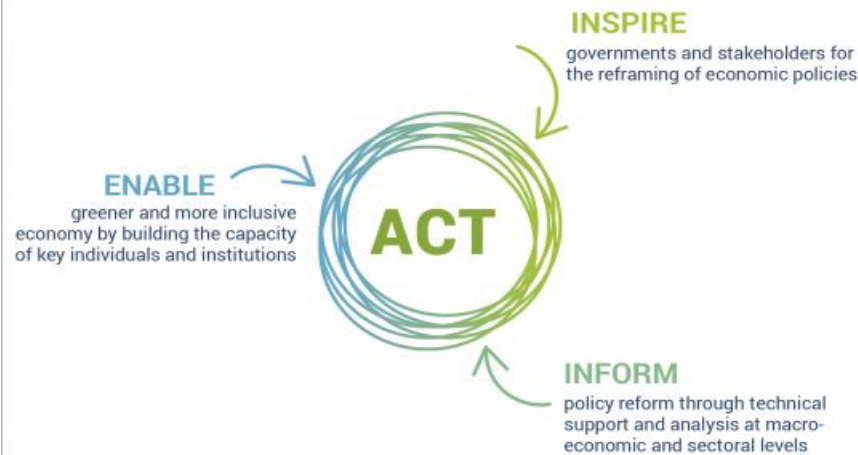

- set of tools developed by the ILO to **help identify key opportunities** for a just transition
- **map linkages** between the economy, decent work and the environment to identify potential entry-points for policies, interventions
- **desk-based research**, often combined with **interviews**
- **Complements** other research products, including green jobs assessments.

- IDB & ILO (2020): Jobs in a net-zero emissions future in Latin America and the Caribbean. [\(link\)](#)

- FIAPP and ILO: Analysis of women's access to green jobs in LA- Costa Rica, Argentina and Uruguay (upcoming)

- Launched in 2013 as a response to the call at Rio+20
- PAGE seeks to put sustainability at the heart of economic policies and practices to advance the 2030 Agenda for Sustainable Development and supports nations and regions in reframing economic policies and practices around sustainability to foster economic growth, create income and jobs, reduce poverty and inequality, and strengthen the ecological foundations of their economies.
- Operates in 20 partner countries.

PAGE PARTNERSHIP FOR ACTION
ON GREEN ECONOMY

A New Decade of Action:
Accelerating a Fair and
Green Economic Transformation

At the 2019 United Nations Climate Action Summit, **46 countries** committed to place jobs at the heart of ambitious climate action and to promote a just transition. **UN SG António Guterres launched** the Climate Action for Jobs Initiative, spearheaded by the ILO, to help foster concrete measures.

Main goals

- Enable climate action with **decent jobs** and social justice.
- Support countries in a **transition** that is **just** and founded on broad-based support.
- Facilitate an inclusive **recovery from COVID-19**.

Global Accelerator on Jobs and Social Protection for Just Transitions

- Launched by UNSG in September 2021. Objective: increase the **level and coordination** of the multilateral system's efforts to help countries **create 400 million decent jobs**, including in the **green, digital and care economies**, and to **extend social protection** coverage to the **4 billion people** currently excluded.

- 46 countries established commitments to formulate and implement just transition national plans

- Albania
- Alemania
- Andorra
- Argelia
- Argentina
- Armenia
