

CONCEPT NOTE

Article 6.8 In-session Workshop

Session 1 – 4 June 2024, 15:00 – 18:00, Room GENF

Session 2 – 6 June 2024, 15:00 – 18:00, Room GENF

Mandate:

Article 6 of the Paris Agreement recognizes that some Parties choose to pursue voluntary cooperation in the implementation of their nationally determined contributions to allow for higher ambition in their mitigation and adaptation actions and to promote sustainable development and environmental integrity.

Under Article 6.8, Parties recognize the importance of integrated, holistic and balanced non-market Approaches (NMAs) being available to Parties to assist in the implementation of their nationally determined contributions, in the context of sustainable development and poverty eradication.

As per paragraph 10 of decision 8/CMA.4, the CMA requested the secretariat to organize an in-session workshop to be held in conjunction with each meeting of the Glasgow Committee on Non-market Approaches (GCNMA), to exchange information on the non-market approaches including best practices and lessons learned from identifying, developing and implementing non-market approaches as well as non-market approaches that may require financial, technology and capacity-building support and the support available for such non-market approaches.

At COP 28 in Dubai, the CMA also requested the Chair of the Subsidiary Body for Scientific and Technological Advice, as the convener of the GCNMA, to invite interested Parties and relevant bodies, institutional arrangements and processed under the Convention and the Paris Agreement, including UN bodies, multilateral, bilateral and other public donors, and private and non-governmental organizations, to have a focused exchange of views on financial, technology and capacity-building support available or provided for identifying and developing non-market approaches, including on enhancing access to various types of support and identifying investment opportunities and actionable solutions that support the achievement of nationally determined contributions, as part of the in-session workshop.

Topic:

This in-session workshop brings together Parties, Non-party stakeholders, including experts from public and private sectors, in five sessions to:

- Focused exchange views on financial, technology and capacity-building support available or provided for identifying and developing non-market approaches;
- Focus on the engagement of relevant stakeholders referred to in paragraph 8 of the annex to decision 4/CMA.3 as well as Indigenous Peoples and local communities;
- Reflect on previously presented non-market approaches with a view to strengthening collaboration and support needed; and
- Exchange information on the non-market approaches.

Format:

Five sessions with presentations and round-table discussions, divided in two days as follows:

Day 1: Plenary session and roundtable session

Day 2: Focused exchange views session
