

LOGISTICAL GUIDE FOR DELEGATIONS

COP25 – MADRID – 02/13 DECEMBER

Dear customer / agent,

DB Schenker is the appointed official freight forwarder, customs clearance and handling contractor for COP25

The following Instructions apply for COP25 / 2019 / MADRID – UN CLIMATE CHANGE CONFERENCE as the sole Official Freight Forwarder & Exclusive Onsite Handling Contractor appointed by the Show Organizer.

Each delegation can contact their own freight forwarder in origin. However, in destination (Spain), this company should make contact with DB SCHENKER, freight forwarder authorized to access COP25 premises and focal point for customs procedure with Spanish government and the Sole Authorized Contractor for movements inside IFEMA

NOTE: If you as delegation want to use DB SCHENKER from origin, you are allowed to do so.

In order to reduce the carbon footprint of the conference, and due to logistical considerations, such as storage, the official warehouse will not be in a position to receive shipments in excess of a cumulative total weight of 150 kg per party or observer organization. Parties or observer organizations organizing “areas” within delegation offices on a commercial basis or outfitting pavilion/exhibition areas will be permitted an extra allowance of 50 kg per “area”.

TRANSPORTATION IDENTIFICATION QUICK PROCEDURE

For the COP25, the logistical team adopted different procedures in order to manage different kinds of requirements, according with the kind of the petitioner, the final destination of the goods, and the nature of the merchandise.

For all Delegations material, DB SCHENKER is the official provider for all freight forwarding for the blue zone. Deliveries treated differently will have not access into the COP25 premises and will not have government customs exemptions given by the Spanish government.

KIND OF SHIPMENT:

Is important to know the kind of shipment you want to send:

- 1: Delegation Equipment to be part of the stand construction (Robots, robotical lifgts, LCD screens, etc) **(Delegation Equipment to be part of the stand construction)**
- 2: Delegation Marketing goods or any other material that is not part of the stand (Brouchures, umbrellas, business cards, etc) **(Delegation Marketing goods or any other material that is not part of the stand)**

Here you will find the right interlocutor for any shipment: Mirela at +34 91 174 99 28 Maria.Tarasescu@dbschenker.com and Ihor +34 93 482 01 86 ihor.lewkowycz@dbschenker.com

Packing

Due to a repeated handling process of your goods, from the departure from your warehouse to your stand in fairground, we recommend the use of solid and adequate packing material. We remind you that after the show ends, it will have to be handled and transported back to the final destination. We will not take any liabilities on goods that are not properly packed or transported in unsuitable conditions.

Wood & No-Conifer Wood Packing Material

The Spanish Government has instituted solid wood packing materials regulations effective January 1st, 2000. When no solid wood packing materials are used, the following statement must be made on the letterhead of the exporter (exhibitor), and must be stated on the invoice and/or bill of lading: "THIS SHIPMENT CONTAINS NO SOLID WOOD PACKING MATERIAL".

When solid wood packing materials are made with wood other than conifer, the following statement must be made on the letterhead of the exporter (exhibitor) and must be stated on the invoice and/or bill of lading: "THE SOLID WOOD PACKING MATERIAL IN THIS SHIPMENT IS NOT CONIFEROUS WOOD". If the shipment does contain coniferous solid wood packing material, animal and plant health inspection service must certify that the conifer wood packing material in the shipment has been treated.

Basic Conditions of Contract

All work undertaken is subject to the SCHENKER LOGISTIC, S.A.U. Insurance terms and conditions. The liability of SCHENKER LOGISTIC, S.A.U. for the transportation is determined by the national international insurance regulation applicable to the contracted transport.

The liability of SCHENKER LOGISTICS, ceases with the delivery and starts with the collection of freight at the exhibition stand. It is the exhibitor's responsibility to ensure the security of his material until is collected from the stand by SCHENKER LOGISTIC, S.A.U.

Goods are shipped at the risk of the customer. Insurance will not be done unless written request. Our General Terms and Conditions are stipulated by the Spanish Transportation Association. Our responsibility

is determinate according to the limits established by the International Regulations, that will be applicable to each different mode of transport, the terms and conditions of the Bill of Lading and national legislation.

In case the service has not been performed due to the absence of the client, agent, truck driver, or due to reasons beyond DB Schenker control, the amount of the service will not be reimbursed.

DB Schenker is not responsible for the accessibility to the stand or for the damages due to weather conditions.

Groupage shipment Schenker warehouse

This service can be booked in advance to guarantee the delivery to the stand at the date and hour agreed with our client. The goods may arrive to our warehouse up to 10 days before the beginning of the show without any additional cost. The service for return can be booked at the end of the show in the same conditions: the merchandise will be collected from the stand, warehoused by our company up to 5 days without any charge, until the arrival of the transport company for the return. In case the goods are stored more time in our warehouse, charges will apply as our tariff.

We will charge a reception service for each shipment received on a different date or time, from a different carrier and / or shipper, or different exhibitor or stand nr.. In addition, we will charge a collection service for each shipment picked up from the stand on different dates and / or from different exhibitor or stand nr. Or to different destinations.

Standard opening hours of the DB SCHENKER warehouse from Monday Friday from 09:00-18:00.

This tariff corresponds to pieces of a maximum volume of 6cbm or 2000 kgs.

Pick-up, storage and delivery of Empties

DB Schenker will collect the empties from the stand as long as these are in proper condition (empties must be wrapped, placed on pallets and must be strapped/ taped together when necessary) and will deliver empties back as soon as the Organization allows us to get into the halls once show is ended. If the package is not palletized or retracted so that it can be transported without any difficulty, DB SCHENKER will do this service and charge it, minimum 28 €

DB SCHENKER responsibility begins with the collection of the available empties at the stand and ends with the re-delivery onto the stand, regardless, whether the exhibitor is present or not.

DB SCHENKER is NOT responsible for damages that might occur to the packages due to weather conditions. It is the exhibitor's responsibility to protect his package and merchandise.

Packages with contents must be declare and store separately. DB SCHENKER will not be responsible for items left inside the packages without prior declaration.

Pick-up, storage and delivery of full goods without access during the show

Same conditions as for the storage of empties. An inventory will have to be delivered along with the boxes and will be checked by a staff member of DB SCHENKER. Otherwise, we will not take responsibility for the content. You can contract with us an insurance of your goods.

Long-term storage

The collection of the goods to be stored for a long term will be done in presence of the exhibitor and a person from DB SCHENKER.

The exhibitor must give DB SCHENKER a packing list of all the material to be stored. DB SCHENKER will be in charge of checking then content matches the packing list. After this list is checked, both parties will sign it and a copy of it will be given to the exhibitor.

DB SCHENKER will not admit any claim about material, which will not have been included in the list.

If the list only includes information about the number of pieces to be stored, then, the responsibility of DB SCHENKER will be limited to the delivery to the next fair of the exact number of pieces declared by the exhibitor.

It is the exhibitor's responsibility to leave the goods properly wrapped and packed prior collection from the stand.

Partial deliveries during the show

Charges to be applied: Reception of goods in our warehouse / Storage of filled packaging or goods. All the boxes will have to be correctly identified with a number or letter on them.

DB SCHENKER will only manipulate completely filled boxes. The client will provide a packing list with the number of the boxes to be stored and/ or partially delivered. All partial deliveries on Saturdays, Sundays and holidays will have a 100% surcharge.

Delivery instructions will have to be received by DB SCHENKER no later than 17:00, of the day before. In other conditions, we will not be able to guarantee the service.

Material handling equipment & labour

In order to book these services, you should provide us: NAME OF FAIR, DATE, STARTING TIME (o'clock) AND LENGTH OF SERVICE.

Worker: the worker will go to the stand indicated by the exhibitor.

Equipment with driver: the forklift/others will be positioned at the closest gate to the client stand in the contracted schedule. The equipment will be placed in the stand indicated by the exhibitor.

The client has to provide the technical card index of the equipment to be handled; which must contain: dimensions, weight and a sketch where the binding points must be clearly shown. The full responsibility of the equipment and of the handling during the work belongs to the client.

Packing materials, ladders, trolleys and palletjack

Should be picked up and return back by the client directly from DB Schenker warehouse, Service Hall.

Forklift rental without driver

A copy of the driving license of the person who is going to drive the forklift must be provided to DB Schenker, along with a copy of the insurance contract and a letter proving the client's responsibility, attached to the offer. The documents must be stamped and signed by the forklift driver's company.

The client cannot sublet or lend partially or totally the equipment to another person. If this happens, the contract will be automatically cancelled between both parties and any additional cost will be charge to the client.

The equipment will be picked up and return back to the DB Schenker warehouse at the Services Hall, by the client, it will be completely filled with gas oil. 45€ will be charged for the consumption of gas oil minimum.

It needs to be return back by client in the same conditions as it was delivered. DB Schenker personnel will check the status of the machine. If the forklift is not delivered in the same conditions, the additional costs for damages will be charged to the client.
