SBSTA 58 agenda item 12(b)

Emissions from fuel used for international aviation and maritime transport

Version 8/6/2023 8:00

Draft conclusions proposed by the Chair

1. The SBSTA continued consideration of this matter.
2. It noted that the representatives of the secretariat of IMO who were present at the informal consultations under this agenda item at this session provided answers to questions from Parties on the submission from IMO¹ for the session at the first informal consultations, held on 5 June 2023.
3. It took note of divergent views expressed by Parties on the submissions from ICAO² and IMO for this session.
4. The SBSTA agreed to continue consideration of this matter at SBSTA 59 (November–December 2023).
