Announcements

Bonn Central station partially closed from 26 June to 1 July

Most trains will not call at Bonn main station from **Wednesday 26 June until Monday 1 July at 00.30 hrs.** The reason is the modernization work. Only the RE 5 regional express and the Voreifel train S 23 can call at the station, **but journey times will change for the RE 5.**

The lines RB 26 and RB 30 cannot call at the station. The RB 26 starts and ends in Roisdorf (rail replacement service to Bonn main station is planned) the RB 30 from Koblenz will only go to Bad Godesberg station. The RB 48 will only call at the main station in the evening hours and runs from there between Cologne main station and Wuppertal. Some of the long-distance trains between Cologne and Bonn will be cancelled completely.

Underground traffic is not affected by the closures. Additional staff will provide information on the changes at the main train station and Bad Godesberg and Beuel stations.

Travelers may want to obtain travel information in good time at www.bahn.de or www.vrsinfo.de.

“Awakening” art exhibition

The art exhibition “Awakening” is an initiative of Ms. Elizabeth Dowdeswell, Lieutenant Governor of Ontario, Canada, with the aim to raise awareness of the United Nations Sustainable Development Goals (SDGs).

The exhibition is on display from 17 to 27 June and may also be viewed online [here](#). Mr. Robin Rix (robin.rix@ontario.ca) can be contacted for any further information on this initiative.

Guided tour to the Richard Kinley Gallery – archival exhibition “The UNFCCC Story”

In its short life, the UNFCCC process has made remarkable history and it must continue to do so in the face of the urgent climate challenge. The Gallery exists to record that history and recognize the achievements of all those who have been part of the almost 30 years of climate negotiations.

The archival exhibition “The UNFCCC Story” in the Richard Kinley Gallery in AHH Building (at AH Entrance H-107 at UN Campus) presents the history of intergovernmental climate change negotiations and the role of the UN Climate Change secretariat through original documents, artefacts, rare photographs and video. The exhibition is open to all participants in the SB session.

A guided tour may be arranged upon request. In this case, a special request to the Records Management Team at rm-team@unfccc.int is needed.

Climate change exhibition at the German History Museum

This summer, the Haus der Geschichte der Bundesrepublik Deutschland Foundation here in Bonn is celebrating its 25th anniversary and has updated its permanent exhibition at the German History Museum that includes a dedicated section on the history of the climate change process. The UNFCCC secretariat supported the museum in the revamp of this exhibition, where historic memorabilia of the UNFCCC climate change process are on display, such as the COP 1 conference badge of Helmut Kohl, the COP 21 green leaf gavel (a replica distributed at the COP 21 plenary) and the COP 23 conference bag of Barbara Hendricks, former German Minister for the Environment.

The Haus der Geschichte is located at Willy-Brandt-Allee 14 and is open Tuesday through Friday from 9.00 to 19.00 hrs. and on Saturday, Sunday and German public holidays from 10.00 to 18.00 hrs. The museum is about an 8-minute walk from the conference centre and admission is free.
